8. "Kyra Curtis named Western Wayne H.S. 'Scholar of Year,'"  
The Wayne Independent, April 22, 1982, p. 16.

When I write to Gertrude to ask her about participating in the round-table discussion on schools during Pioneer Days, I will send her copies of enclosures 2-8 (above). I subscribe to The Wayne Independent and, as you can see, quite often I find articles about members of the Griswold, Curtis and related families.

Thank you for referring Fred Zlotucha of Dickson City to me. He did write and is now a subscriber to NORTHEASTERN PENNSYLVANIA. He also wants to buy the back issues of the paper. Thank you for straightening him out. I guess that even in such remote corners of the world as Dickson City that it is well known that when you have a history problem that you telephone 80 Cemetery Street and get your problem solved. The Chief, once again, from the comfort of her information-packed wigwam, has saved the day!

Alice Lund and John Rude and Donald and I have been having telephone conversations about the Griswold Reunion this year and about the Clinton Center Pioneer Day celebration in the Clinton Church. As it stands now, the Griswold Reunion will be on the third Wednesday of August at Ridge Farm, and the Clinton Center Pioneer Day will be on the Sunday following the Griswold Reunion. There was talk for a while of having the Griswold Reunion on Saturday the 21st, and the Clinton Center Pioneer Day celebration on Sunday the 22nd, but it now has been decided to keep the Reunion on the third Wednesday (the 18th, at Ridge Farm) and to hold the Clinton Church Pioneer Day celebration on the 22nd (church service at 11 A.M., covered dish dinner at noon, historical program at 1:30, supper if there are any leftovers).

I am well and I trust that all is well with you. Donald and I will both be in Carbondale over the weekend of July 16-17-18, and we will be certain to check in at "the wigwam" and see what's new with the Chief.

Sincerely yours,

*Robert*
